Mr. May, Jr.

Dear Friend

My trial will (Mar. 14 th.) come up next Wednesday. Any facts such as I wrote you for yesterday, therefor I shall need as early as Monday or Tuesday.

My artful prosecutor joined by unscrupulous Sympathizers, will doubtless make a desperate effort to carry the day. For the cross examination therefore we shall need many facts to make her convict herself.

She may deny getting the $100- from the Mass. Legislature one morning; and the final "hundred" from the Mass. Baptist Convention at Springfield. Hence it seems

MSB.1.6 v.8, p.10

that I should have one witness from Boston. My lawer informs me that a private letter may be construed into a libel Contrary to what the District Attorney told me. Hence I shall need, to make out a very clear case of her begging under false pretense.

If Lewis Hayden, was about, at her meetings, & at the legislature when she begged there, he would be just the witness to Come. Would he Come if Telegraped in time?

I am not frightened by any means; yet I am not willing. Now I am in the difficulty, to neglect to bring important facts for the issue. By neglect, or by not having Certain information that I need, this Jezebel may succeed.

Please answer by return
mail.

Yours truly

W. Tull

P. S. Since writing the
above, I have had an
interview with my
Counsel and he tells me
that it is desirable to have
you come to prove that
the letter you read to her
was the only one read -
as She has sworn to things
that was not in it.

Yours W. T.
